

# Going Green: Environmentally Friendly End-of-life Planning

## INFORMATION SESSION

This 1-hour presentation will feature an overview of emerging trends in death care as well as eco-friendly burial and final disposition options available in North Carolina. Hunter Beattie, of Endswell Aquamation, will discuss the environmental impact of modern burial practices and cremation, and present alternative choices like green burial and aquamation (water cremation). Following the presentation, there will be time for questions and answers.
